

Make memories! Make friends!

Island Outdoor Adventure
SUMMER ESL CAMP
August 5 - August 30, 2019

If you want to improve your English, have great outdoor adventures, and make new friends - the Island Outdoor Adventure ESL Camp may be the ideal place for you!

Each day will be a perfect blend of rigorous English acquisition with certified ESL teachers - and amazing, fun, relaxing outdoor adventures! We will be utilizing the well-respected Cambridge Interchange curriculum during ESL sessions - and students will be in small cohorts, based on an initial English assessment.

Some of the activities that we will bring back to our 2019 camp include whale-watching, fishing, hiking, swimming, camping, kayaking, and visits to local tourist attractions, including a trip around the beautiful and world famous Cabot Trail. Local students will be joining-in for some of these adventures. New friendships will form as students share these exciting adventures!
