SUMMER ESL CAMP

If you want to improve your English, have great outdoor adventures, and make new friends - HELLO CAPE BRETON Summer Adventure Camp may be the ideal place for you!

Each day is a perfect blend of rigorous English acquisition with certified ESL teachers - and amazing, fun, relaxing outdoor adventures! We utilize the well-respected Cambridge Interchange curriculum during ESL sessions - and students are in small cohorts based on an initial English assessment.

Some of the activities that we will bring back to our 2021 camp include whale-watching, hiking, swimming, camping, kayaking, and visits to local tourist attractions, including a trip around the beautiful and world famous Cabot Trail. Local students may be joining-in for some of these adventures. New friendships will form as students share these exciting adventures!
